Re: NPDES Permit No. DE 0020001
State Permit No. WPCC 3087B/74
Standard Chlorine of Delaware, Inc.

Dear Mr. Pierson:

This is to acknowledge receipt of your May 6, 1986 letter to Mr. Richard Greene regarding the installation of the groundwater decontamination program equipment. Per Special Condition #8 of the referenced permit, as amended, the final effluent limitations specified in the permit and Special Condition #9 are effective as of May 1, 1986. The Discharge Monitoring Reports (DMR's) submitted for May, 1986 and subsequent months shall reflect these final effluent limitations.

Sincerely,

Paul J. Janiga
Environmental Engineer
Water Pollution Branch
